

Maintenance Planner

Westshore Terminals

Location: Delta, BC

Westshore Terminals Limited Partnership is owned by Westshore Terminals Investment Corporation. Operating since 1970 in Port of Vancouver, Westshore is the terminal of choice for Canadian coal mines and for United States mines in the Powder River Basin of Montana and Wyoming. Westshore Terminals is capable of handling up to 33 million tonnes of coal annually and ships to over 20 countries worldwide, providing billions of dollars in export revenue for Canada and British Columbia.

The Maintenance Planner is responsible for planning, scheduling, and coordination of all mechanical maintenance work performed at the terminal. The planner is also responsible for development and maintenance of procedures, records and files essential to meaningful analysis and reporting of maintenance-related matters. As this is a new role, the successful candidate will have the opportunity to put their signature on this position through the creation of systems and record management. The position will initially work a Monday to Friday schedule, with some requirement to work hours outside of the norm, including weekends, to meet the requirements of the position. Ultimately, the position may transition to a team that will provide seven days a week coverage.

The ideal candidate will have a strong mechanical aptitude, well-developed communication skills, knowledge of safe work practices and risk mitigation, and bring a demonstrated excellence in performing a similar role in a heavy industrial environment. The preferred candidate may be a certified journeyman millwright, be a technologist/technician, or have an Applied Science degree. Essential to this role is the ability to work as a member of a team, to manage time properly and the ability to work under pressure in a dynamic changing environment.

This position is based in Delta, BC. Westshore Terminals is an equal opportunity employer, and as such women, visible minorities, First Nations and those with disabilities are encouraged to apply.
