

Maintenance Manager – Relocation support provided

Meadow Lake, Saskatchewan

Tolko's **Maintenance Managers** are a driving force behind our day-to-day success. Reporting to the Plant Manager as a **member of the mill's senior leadership team**, our Maintenance Managers **engage their teams, keep employees safe** and ensure our **operations are running smoothly**. If you're a **leader at heart**, have **manufacturing maintenance experience** and want to make a real impact, take a look at what we offer.

We are looking for an **experienced Maintenance Manager** to join our Meadow Lake OSB Division, located in **Meadow Lake, Saskatchewan**. Meadow Lake employs 155 employees and safely and sustainably produces 730 million square feet of OSB every year for customers around the world so they can build their homes and their communities.

Our ideal candidate has the following qualifications:

- **University degree/technical diploma or Journeyperson trades certification** in a relevant field.
- Management **experience leading maintenance teams within a manufacturing** environment.
- **Experience with maintenance planning, condition monitoring, shutdown execution and implementing reliability programs.**
- Experience with **project management, including capital projects.**
- Experience **maintaining a large maintenance budget.**
- Knowledge of **manufacturing and maintenance processes.**
- Knowledge and **experience in OSB manufacturing, an asset.**
- Proven **ability to manage change.**

In this role, you will:

- Be responsible for **planning and organizing maintenance activities.**
- **Build relationships internally** across all employee groups at the mill.
- **Analyze** all aspects of your **department's performance** and **pro-actively identify and implement opportunities to improve** operational effectiveness.

- **Direct** and **organize third party vendors** and **partner** with the **production** and **project** teams to **deliver results**.

We value diversity at Tolko and respect that experience, and knowledge come in many forms. Even if you don't think you check every box, please apply. We would love to hear your story and have you grow with us.

So, what's in it for you?

- You'll take on an **exciting new challenge** with **supportive team members**.
- You'll earn a **competitive salary** based on your skills and experience. The expected base salary range for this position is **\$116,250 - \$155,000 per year**.
- You'll earn an additional **northern allowance** on top of your base pay.
- You will be eligible to participate in Tolko's **bonus program**.
- **Competitive benefits** and **retirement plans** come standard, so you don't have to choose between your bottom line and your wellbeing or your future.
- **Relocation support** including community connections so you can live (and play) where you work.
- **Continued development** through on the job and classroom training and reimbursement of tuition and membership fees.
- A **positive, innovative, and inclusive work environment**.

If you want to work in a **sustainable, future focused industry**, there is **no better place than Tolko**. Our family has been **producing innovative forest products** for over 65 years. Our focus remains on **sustainably managing our forests** and our business for upcoming generations.

We want YOU to join our family. Come Grow Here! **Apply today** at www.tolko.com/careers.
