

MainTrain 2020 Abstract Submission Worksheet

Below are the fields on the online abstract submission form. You may wish to use this as a working document and then copy and paste them into the form. In that way if there is any Internet disruption you will not lose your work.

To avoid any issues and delay, fill in ALL of the fields except those that are indicated as optional.

*** Title:**

(This is the title of your presentation)

*** Abstract (Presentation Description):**

(Between 200 and 350 words)

*** Subject Group (choose the best one):**

(Tag an Asset Management subject if the context relates significantly to other lifecycle phases (such as design) -or- the broader, strategic, context of the organization. Tag a Maintenance Management subject if the context relates most significantly to Maintenance Management during the active life phase. Even if more than one category applies, pick the best fit.)

Asset Management Landscape Subject	Maintenance Management Framework Subject
<input type="checkbox"/> Strategy and Planning	<input type="checkbox"/> Business and Organization Context
<input type="checkbox"/> Asset Management Decision-Making	<input type="checkbox"/> Maintenance Program Management
<input type="checkbox"/> Lifecycle Delivery	<input type="checkbox"/> Asset Strategy Management
<input type="checkbox"/> Asset Information	<input type="checkbox"/> Tools and Tactics
<input type="checkbox"/> Organisation and People	<input type="checkbox"/> Maintenance and Reliability Engineering
<input type="checkbox"/> Risk and Review	<input type="checkbox"/> Work Management
	<input type="checkbox"/> Human Resource Management
	<input type="checkbox"/> Material Resource Management
	<input type="checkbox"/> Information Management
	<input type="checkbox"/> Continuous Improvement

*** Target Audience (choose one):**

- Introductory/Entry Level
- Intermediate
- Senior/Advanced
- Other

Target Audience Other

*** Industry Sector Category**

For example, if you are working for a mining company and the content cites examples that are from mining, select mining, even if the learning applies to all industries.

- Facilities Management
- Food & Beverage Processing
- Transportation / Logistics
- Power Utility
- Public Infrastructure Management
- Forest Products Manufacturing
- Oil & Gas / Mining
- Manufacturing
- Presentation does not reference an industry sectors

*** Presentation Type (choose one):**

- 45-Minute Session
- ½ Day Workshop
- Full Day Workshop

*** The presenter represents what type of organization**

- Service Provider / Consultant
- Asset Owning Organization

*** Is this the first time you are presenting this content? Yes**

If this content has been presented before, where and when?

*** Add a few words about your presentation experience. If none, describe your strategy for this first presentation.**

Is there any online video or samples of your presentations? If so, share a link in the field above.

*** Is this a case study? Yes**

This is a case study if: The presentation is grounded and focussed on a concrete example of a theory or knowledge framework being applied in a real life situation? Do you include information about the pitfalls, challenges and benefits of the implementation process? If so, you can answer 'yes'.

This is not a case study if: The presentation is more instructional or information and gives information about a theory, knowledge framework or solution without significant reference to a specific applied case.

Submitter's Comments:

Will there be a co-presenter?

One complimentary four-day pass will be given to the primary presenter. Each additional presenter will need to purchase a conference pass unless the presentation is a case study.

Co-presenter Name:

Co-presenter Title:

(The author's job title at the time this item was submitted)

Co-presenter Employer:

(Author's employer at time article was submitted)

Co-presenter Bio:

Co-presenter Email:

Co-presenter Phone:

Note: You are invited to submit your abstract in English or French.

Submitter Agreement

- I have filled in all of the fields to the best of my knowledge.
- I understand that presentations are not to be commercial in nature.
- I acknowledge that that the information is mine and/or I have permission for the original author to present it at MainTrain.
- If my abstract is selected, I authorize PEMAC to share my name, title, company, and abstract for the purpose of promoting MainTrain on social media, the PEMAC website and any other advertising avenues.
- If my 45-minute session abstract is selected, I understand the requirements of providing a PowerPoint Presentation and 2000 word paper to events@pemac.org no later than July 23rd. I understand that if I don't meet the deadlines my presentation may be replaced.
- If my ½ day or full day workshop is selected, I understand the requirements of providing a PowerPoint Presentation, statement of learning objectives, take-away handouts and a brief description of planned interactive activities to events@pemac.org no later than July 23rd. I understand that if I don't meet the deadlines my workshop may be replaced.
- If I'm an international speaker from a country that requires an entrance Visa, I understand I must show proof of eligibility to enter Canada no later than July 1st, 2020.

* I have read and understood the requirements to submit an abstract for the MainTrain 2020 Conference.
