

FOR IMMEDIATE RELEASE

PEMAC Recognizes Outstanding Achievement in Maintenance, Reliability and Asset Management

Mississauga, October 7, 2026 – PEMAC Asset Management Association of Canada proudly recognized the outstanding achievements of the 2026 PEMAC Awards recipients during a celebration held yesterday at MainTrain 2026 in Montreal, Quebec.

Presented annually, the PEMAC Awards celebrate individuals and teams that have demonstrated exceptional leadership, innovation, and contributions to the maintenance, reliability, and asset management profession. This year's recipients represent a broad range of industries and sectors, highlighting the impact of asset management excellence on organizational performance and sustainability.

The 2026 awards were presented across Excellence in Practice and Member recognition categories. In total, nine awards were bestowed on professionals and teams whose accomplishments have advanced the profession and inspired others.

"The recipients of the 2026 PEMAC Awards represent the very best of our profession," affirmed Alan Cox, Chair of the Awards Committee. "Whether driving meaningful improvements within their organizations and communities, or advancing maintenance, reliability and asset management practices across Canada and around the world, these recipients demonstrate leadership, innovation and a commitment to excellence. PEMAC is proud to recognize their contributions and celebrate their achievements."
