

MAINTRAIN

September 28-29 2021

Maintenance,
Reliability and
Asset Management
Online Conference

PEMAC Recognized Employers

Get attention as an employer of choice by sponsoring 10 or more of your employees to attend the MainTrain 2021 Online Conference.

Benefits

- Your company will be recognized as an employer of choice.
 - Formally: We will acknowledge you on the MainTrain website, "The following employers have demonstrated their commitment to employee development by supporting 10 or more employees to the conference" and include your company logo, 100-word description and link to your website.
 - Informally: Your 10 or more sponsored employees will serve as ambassadors as they network and engage throughout the conference.
- You will be recognized for supporting excellence in the maintenance, reliability and asset management community of practice.
- Your business will benefit through employees who are energized with ideas for continuous improvement.
- When you send multiple employees, the learning is exponential - they each learn, and they all learn together as they consider how to apply what they learn to your context
- Your business's network of resources will expand as your employees network with people and organizations who have solutions
- Employees will receive Continuing Professional Development credits to maintain their credentials.

How to Apply

Individually register 10 employees on our [website](#)

OR

Send a list of employees you wish to register to events@pemac.org and we will issue an invoice. List must include: First Name, Last Name, Email, Job Title, Company, City
