

PEMAC NOW

Don't miss out on an opportunity to be part of this exciting venture.

2021 *PEMAC Now* Magazine

As the association's member magazine, *PEMAC Now* highlights contributions the association, and its members are making in their mission to foster excellence in maintenance and asset management through collaboration, applied learning, and leadership.

The magazine provides individual, corporate, and allied members of PEMAC another opportunity to connect, learn, and contribute through articles that highlight members accomplishments, discuss leading edge concepts, and share insights about successes and challenges in applying principles in practice.

PEMAC Now has published features on asset management, asset investment, and reliability. As well as covering PEMAC chapter meetings, a message from the president, certification congratulations, statistics/data, and a rundown of the board of directors.

The 2021 version of *PEMAC Now* will be available ahead of the PEMAC MainTrain virtual conference.

By participating in *PEMAC Now*, your company will have exposure to thousands of individuals who are active in maintenance and asset management decision-making for their organizations.

This is a tremendous opportunity to showcase products and services to dedicated and focused buyers while supporting the efforts of PEMAC, a vital resource in the vast asset management and MRO market.
