As the association's member magazine, PEMAC Now highlights contributions the association, and its members are making in their mission to foster excellence in maintenance and asset management through collaboration, applied learning, and leadership.

The magazine provides individual, corporate, and allied members of PEMAC another opportunity to connect, learn, and contribute through articles that highlight members accomplishments, discuss leading edge concepts, and share insights about successes and challenges in applying principles in practice.

PEMAC Now has published features on asset management, asset investment, maintenance management and reliability. As well as covering PEMAC chapter meetings, a message from the president, certification congratulations, statistics/ data, and a rundown of the board of directors.

PEMAC Now Magazine offers an unparalleled avenue to position your brand directly in front of the influential audience of PEMAC members. With a readership deeply committed to the fields of maintenance and asset management, aligning your brand with PEMAC Now underscores your dedication to advancing these vital industries.
