Abrar Ahmad's Outstanding Leadership Recognized through PEMAC Award

Mississauga (November 11, 2025) – PEMAC Asset Management Association of Canada presented Abrar Ahmad with the 2025 [Maintenance Management Leadership Award](#) during the recent [PEMAC Awards](#) ceremony held in Calgary, Alberta as part of the MainTrain conference. The ceremony celebrated excellence in the maintenance, reliability and asset management profession.

This award recognizes individuals who have contributed significantly to advancing maintenance management in their organizations or within Canada. Abrar exemplifies these characteristics in his role as Specialist Maintenance Advisor at Suncor Energy, and beyond as a major influence to developing future leaders in profession.

"Abrar has demonstrated exceptional leadership by translating a maintenance management vision into sustainable value for his organization. By fostering collaboration, aligning strategy with execution, and cultivating a culture of excellence, Abrar has made a lasting impact both within Suncor, and across the broader professional community that he supports through his volunteer and instructing roles," shares Alan Cox, Chair of the PEMAC Awards Committee. "PEMAC

"I am honoured to be recognized by PEMAC. Maintenance management and reliability are about creating lasting value through people, process, and purpose. The most fulfilling part of this journey has been mentoring and helping others to develop into next generation of leaders who will continue advancing our profession", shares Abrar.
